Cisco Networking Academy

# Overview

# About Talent Bridge

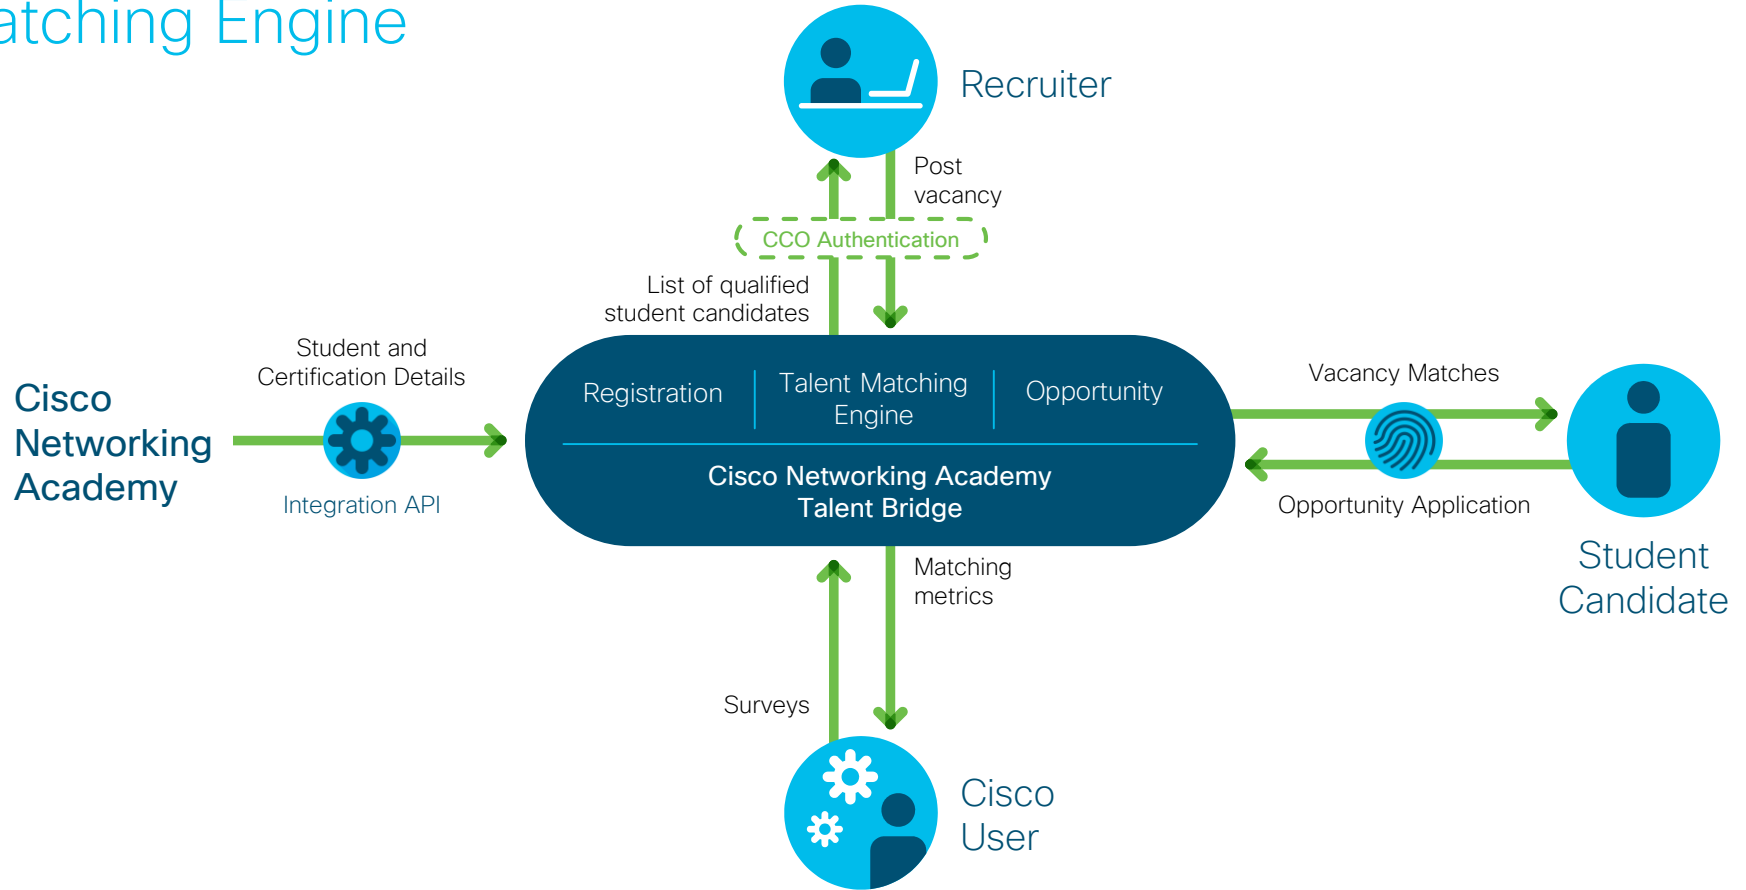

Networking Academy Talent Bridge connects Cisco and partner employers with world-class NetAcad talent for the digital economy workforce of the future.

# Talent Bridge Matching Engine Pilot

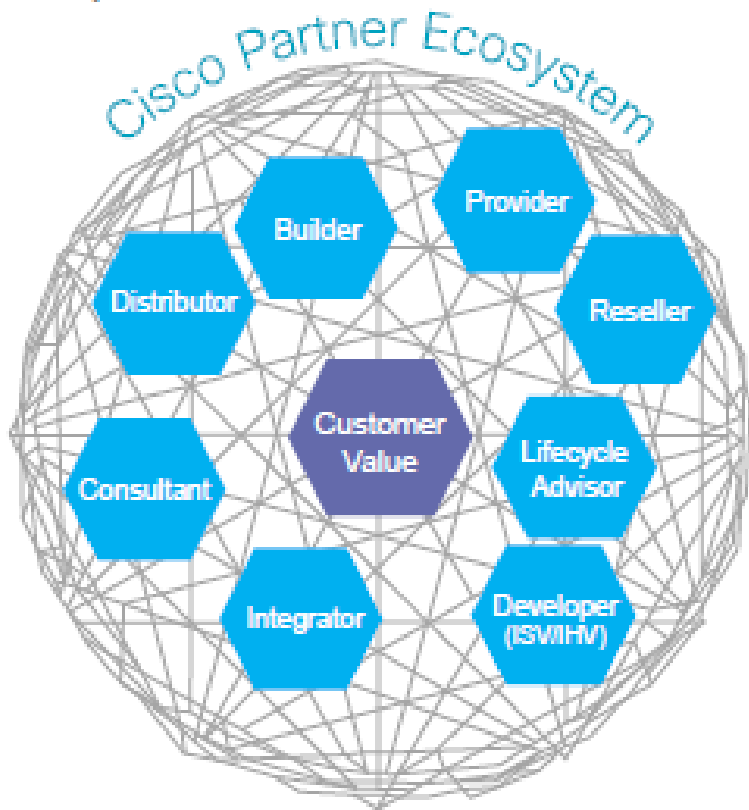

Your Connection to Global Career  
Opportunities with Cisco and Our Partners

# Talent Bridge Matching Engine

# About Cisco Partners

- Cisco partners support up to 90% of Cisco revenue
- The Cisco partner ecosystem has over 60,000 partners globally
- Our partners include Value Added Resellers and Distributors who help deliver products, software and services to customers globally
- Cisco partners need technology savvy workers—Networking Academy graduates—with training in CCNA, CCNP, Security and Programming technologies
- The new Talent Bridge Matching Engine not only connects you with Cisco opportunities, but with career possibilities with our partners around the world

# Q&A

# Cisco Talent Bridge

Virtual Job Connection

# Virtual Job Event

Thursday, December 7  
9:00 – 10:30 AM PST

Participating Employers:

In this session, you will hear about a variety of different roles within several of Cisco's premier partners, all with open roles\* ideal for NetAcad students/alumni\*\*.

You will gain inside perspective on what hiring managers are looking for in candidates, learn about these opportunities to better tailor your resume, and ask questions.

\*Must be located and eligible to work in US/Canada.

\*\*Students should be enrolled or completed CCNA2 course, and/or have their CCNA or CCENT certifications.

**Register:** <http://bit.ly/2y3DQXE>
