Investing in tomorrow.

By developing capable, next-generation technology talent today.

Cisco's technology and career skills program is our largest social investment, based on our thought leadership in digital transformation.

FREE. Our courses are free to nonprofit high schools, colleges, libraries, military and veteran groups, and many non-traditional learning environments. We offer:
- innovative, globally-consistent curriculum
- ongoing alignment with new technology
- preparation for industry certifications

The Global Knowledge 2019 IT Skills & Salary Report says that IT compensation is the highest it's ever been. The average salary in the USA is $110,000.

Workforce development and reskilling increase regional economic strength. WEF's Future of Jobs Report estimates that **54%** of all employees will require significant reskilling by 2022.
