CISCO Networking Academy

Indiana

Investing in tomorrow.

By developing capable, next-generation technology talent today.

Cisco's technology and career skills program is our largest social investment, based on our thought leadership in digital transformation.

FREE. Our courses are free to nonprofit high schools, colleges, libraries, military and veteran groups, and many non-traditional learning environments. We offer:
- innovative, globally-consistent curriculum
- ongoing alignment with new technology
- preparation for industry certifications

The Global Knowledge 2019 IT Skills & Salary Report says that IT compensation is the highest it's ever been. The average salary in the USA is $110,000.

Workforce development and reskilling increase regional economic strength. WEF's Future of Jobs Report estimates that **54%** of all employees will require significant reskilling by 2022.

United States

1,723,613	Students since inception
172,134	Current students / 15% female
1,850	Education partners
$814.2 million	Cisco's In-Kind* Investment

Indiana

32,887	Students since inception
3,671	Current students / 16% female
44	Education partners
$14.9 million	Cisco's In-Kind* Investment

Students not only learn technology, they learn on a team, helping others, discovering their strengths. - Engineer / Cisco instructor

Networking Academy data from 7/31/2019

Global Outcomes

94% of our students got a better job or entered a higher ed level with a Cisco certification. **Don't let your students miss out.**

Global Skills Gap

3 million = shortage of cybersecurity professionals globally. The skills gap in North America is half a million. *ISC² study*

Organizations that do not strengthen their STEM or training programs may be left behind. *World Economic Forum*
